

Announcement of New Operating Structure

We, ITOCHU Systech Corporation, reorganized operations with the aim of further reinforcing sales of industrial machinery and engineering operations in the Asian market as of April 1, 2011. Details are as follows.

- The following three ITOCHU Corporation's subsidiaries would become subsidiaries of ITOCHU SysTech Corporation and an integrated management system put in place for all industrial machinery operations in the Asian Market.
 - ITOCHU SysTech Singapore Pte. Ltd. (Singapore)
 - ITC Technology Taiwan Corporation (Taiwan)
 - SysTech Shanghai Ltd. (China)

We believe this reorganization would pave the way for the contribution to the further development of our business. Thank you for your continued support and encouragement.

Yours sincerely,

Kazuo Itoki
President and Chief Executive Officer
ITOCHU SysTech Corporation
